

1st ANNUAL FABA FIBER ARTS SALE

ATTENTION FABA MEMBERS: Here is an opportunity for you to show and sell your fleece, fiber, and fiber arts products. Proceeds from the sale of your items and products will go to you with a 10% fee to FABFA. The number of items that can be submitted is limited to 15 per person or farm so that we can have room for as many members that wish to participate.

FABFA will supply the space (prime space in the Clubhouse), and the “sales staff” and will handle all transactions. This is a great way for you to sell your products and your fiber from your animals. It is our intention that the items for sale will be hand made items made by you or your craftsperson and not commercially made products. We do not want to compete with the vendors’ section of the show, but rather provide an opportunity for the public and other participants to purchase your handcrafts.

This is a great opportunity for you to sell, whole fleeces, roving, or yarn made from your animals, or hand made fiber arts made on your farm.

For information please submit the following information for each item, or type of item you would like to put in the sale. Feel free to make additional forms if needed.

Note: You set the price and tag your own items. We will use this form(s) for inventory purposes so that we can keep track of what we sell for you.
